A severe storm and tornado decimated the dairy barns of Kent Herman. An emergency dispersal is being held to move all saleable animals. In April 2017, Kent purchased the herd of Mr. Ray Ward of Georgia and added them to his North Carolina milking herd. There are 119 milk cows that are from the Ward herd (REG.). The Herman Dairy offers cattle for all buyers, from top-notch 2-year-olds to "experienced cows" giving more than 90 lbs. of milk. **THEY ALL SELL AND YOU SET THE PRICE!**
