Fellow Cattle Breeders:

We are pleased to offer the Beef Expo Catalog for your review. If you have attended past sales, we believe that you will agree that “quality” has been the consigners’ main interest and this year’s lots will be no exception! We look forward to meeting you at the sale. As members and consigners, we appreciate your faith in the genetics of the Simmental Breed.

Please note the consigners list on the following page. Any inquires concerning any lot will be welcomed by these breeders.

We would like to thank all consigners for their cooperation and all prospective buyers for their support of the sale.

Cattle sell under terms and conditions of the American Simmental Association.

## Embryos

**500A.** Offering Choice of 3 or 5 embryos with the appropriate guarantees if implanted by a certified embryologist.

Monopoly		SC Highvoltage R159
<b>Man Among Boys</b>	<b>X</b>	<b>MV Spicey</b>
59T		Triple C Ginger J05A

This is an exciting and unique offering to the annual Simmental Sale at the WV Beef Expo. We are offering a package of Man Among Boys (Original) sired embryos out of MV Spicey. When this mating first clicked to produce the Reserve Champion at the 2014 Heart of it All in Lima, we knew we had to flush her the same way. It was no disappointment, as offspring have succeed and even made it to the backdrop in WV, Illinois, Ohio and Arizona. The offspring can be registered as half-blood Simmentals.

**Stanfield Farms**

**500B.** 3 embryos guaranteeing one pregnancy if done by certified embryologist.

Long's Shear Pleasure		STF Dominance T171
<b>TLLC One eyed Jack</b>	<b>X</b>	<b>STF Sapphire 466W</b>
Long's Miss Sweet Treat		STF Miss L125

Sapphire is a top donor in or program that came from Silver Towne Farms. Mollee had a great show season with her, winning several shows, starting as a calf and kept going on from there. Her progeny has continued the tradition, with a daughter being Grand Champion at the WV State Fair, among other shows. A full sib to this ET mating was our first bull to sell off the farm last year. Another daughter sold very well at the Round Up last year. The sire needs no introduction...he is the baldy sire that is dominating shows and whose progeny is topping sales everywhere. This is a mating that has really hit and will produce a heifer or bull that will make you money.

Bambi, as she's affectionately known in our barn, will be the only daughter to sell this year of our JS Rifle 3C bull who was lost too young. However, his star-studded pedigree will live on through this neat design, long patterned, extended female. If you have liked our red ones in the past, this one is for you!</p>

Take note of this young Combustible SimSolution cow. She is a super stout cow, with a January heifer calf at her side by our Angus herd sire SAV Mustang that we purchased at Schaff's. His dam is the famous May cow who is the #1 producing cow in the Angus breed.

This pair will be productive for any operation. Sharon is a two year that we Planned on keeping until the last minute to consign. She is the ideal SimAngus making for the industry and she already has a heifer calf on her side that is out of the very popular Silveiras Style. This will be a profitable pair for their new owner.
