To our many friends of the Holstein breed;

We want to thank everyone who has supported us through the many phases of our career since beginning in 1975. Especially recently, all of the kind words of support and encouragement have been deeply appreciated.

It has been fun to look back at the herd and see how far we have come in nearly 50 years. Groeslon has been home to 76 Excellent cows and 26 have held the Groeslon prefix! We recently celebrated a fantastic classification in April and had 14 EX cows in the barn at that time and brought our BAA to 109.5.

We want to thank some special people who have been instrumental in our success... Phyllis and Don Roberts of Valley-Dell Farm; Ken Roberts and Family; Mike McCaffrey; and the Oneida County Holstein Club. Our herd has been heavily influenced by Valley-Dell genetics with two primary contributors: Valley-Dell Stormatic Nodia EX-94 and Valley-Dell Advent-Star-Red. Star, however, was the queen of Groeslon and we were very lucky to have her for so many years. Star showed nearly every year of her Life from a Winter Calf to an Aged Cow and allowed us to put many miles on our truck! We are grateful for her many daughters that have influenced our herd and will impact many others.

To the new owners of our cattle, please feel free to keep us updated and we would love to know if you plan on going to any shows! Give us a call, send a text, or send us a message on our Facebook Page “Groeslon Farm” if you would like! Although this day is very bittersweet, we are looking forward to the future of Groeslon Farm and where our next adventure will take us.

Sincerely,
The Paddock Family
