Dedication

The 2024 Mid Atlantic Brown Swiss Calf Sale- Celebrating the 50th Anniversary is dedicated to a very special person, and great friend to all breeds in Maryland, but especially Brown Swiss. And this of course is Ronnie Heffner. Ronnie's talents with the cattle business was known worldwide. He was involved and worked in the dairy industry his entire adult life. In the early days he was a door to door milk delivery man and milk tester. Ronnie was instrumental in several famous cows. He also was a fitter for Doty Remsburg and Norman Hill locally, as well as other sales managers over the years. Ronnie had a good eye for cattle and loved the business and the people. He was a known judge of all breeds, and shared his knowledge with youth, as well as mentoring and supporting them. Ronnie was very helpful with the calf sale over the years and enjoyed supporting the Fun Auction. His ability to tell stories, make people laugh, and able to talk to anyone made him loved by many. And he always knew a good place to eat, and where to get the best pies! Ronnie's spirit will continue to inspire us to promote, and do the best with selling and caring for animals. Friends may leave this world, but they never leave our hearts!

A SPECIAL TRIBUTE AND SALUTE TO 50 YEARS!

The Mid Atlantic Brown Swiss Calf Sale has become a staple as a spring sale event. It was the good fortune that the sale got on the calendar for Mid-April. As we have always said, the March calves are at the right stage to sell, combined with the other "Show- Age" calves contributed to its growing popularity. Considered one of the most successful spring sales in the Brown Swiss arena, it is noted for consistently offering outstanding calves. Many have developed into national show quality animals, State and National Bellringers, All Americans, and profitable additions to herds. Many success stories have come out of this sale with Junior purchased animals. Quality of pedigrees, top consignments, and a multi-level sale have been the tradition for 50 years!

The sale was started to help promote the Brown Swiss breed in Maryland and neighboring states, plus it was the associations only fund raiser. Sales would rotate to different farms each spring, and hosted by a MD. Brown Swiss breeder, usually selling in a make shift sale arena on the barn floor. From these meager beginnings, the sale progressed and evolved into one of the best Brown Swiss calf

sales around. Playing a vital role has been Wayne Sliker. Wayne is no stranger to the dairy arena – sometimes called Mr. Brown Swiss! Wayne has worn many hats over the years – Pedigree man, consignor, buyer, trucker- bringing calves in from other states, and then trucking animals to buyers. Wayne's contributions to the sale have been invaluable, and Maryland and consignors have benefited. All the hard work for the sale, with Wayne part of it, has paid off through the animals we sold—lots of those that went onto influence, promote and enhance the breed. This increased the popularity of this sale series with success stories of cattle bought, and exceeded our expectations on many levels.

We want to Thank Wayne for all these years of great memories, and lessons in managing a successful sale—You learn from the best! There was always his constant encouragement and motivation when I would start visiting with him in January to make each sale a good one! His guidance and support helped the sale each year.

I will miss Wayne's yearly visit and he would call it—making a reservation at the Round Hill Inn. We had a system with each arrival – sometimes herd visits, selecting for the National sales, and dinner with friends before the busy part of the sale started.

It's been a privilege and honor to work with you – You are a friend and mentor. And you have been a great friend to Maryland! Thanks again for inspiring the Maryland Brown Swiss Association to strive for excellence in the sale arena—it's been a great run!

We also want to thank the great consignors, and also the buyers over the years!

Be a Winner - Buy A Winner

THANK YOU FOR 50 GREAT YEARS!

SALE NOTES

The significance of this sale line up truly celebrates 50 successful years! The Sale management would like to speak to the value of investing in Brown Swiss. We continue to sell and market out of cow families that started out as a purchase from this calf sale!

Year after year, great calves continue to be marketed and sold in this sale, as well as other sales in the business. The point to recognize is that Brown Swiss hold their value throughout the years.

A great example is Lot #1- the third dam sold in this sale 22 years ago! In the 2014 40th anniversary of the sale, a March calf sold for over \$2000, and other family members went onto show and win at high level shows. plus Jenna continued marketing and selling from this strong pedigree-all from buying a calf 22 years ago! What a great start and it shows how much value this cow family has today.

There are many calves in the catalog today that are generational with a valuable cow family pedigrees including the World of Whizzbang, the "G" family of Gretchen, plus Shania, the Snowstorms, Treats, Sasha, Trinket, Jiterbug, Fern and of course the great Snickerdoodle! And the list goes on with great cow families and top sire stacks to boost.

Make an investment in the Brown Swiss pedigrees already developed. The foundation is there to build a bright future in breeding the good ones! You won't be sorry!

Brown Swiss Historical Society

OUR MISSION:

Help present-day breeders connect with the past.

Show pride in our breed

Enjoy our unique Brown Swiss story.

Bringing together the cows, the people, and the events that tell the story of the Brown Swiss cow and her journey from Switzerland to the United States and her history in the U.S.A.

Since 1880 when our Brown Swiss Cattle Breeders' Association was established there has been a continued effort on the part of the directors and staff to update the history and development of the breed here in the United States.

The Brown Swiss Historical Society (BSHS) was formed to compile previous efforts of history, research breed histories published by others, add new statistics, prepare printed materials to be available to breeders, recognize early pioneer breeders' contributions to the developing dairy industry, develop a storage system for historical documents, information and artifacts in the office and explore future possibilities of establishing a museum and educational program for those wishing to access information.

The BSHS recognizes and presents several awards each year including Master Breeder Awards - both historical and active; and Hall of Fame Awards - both Pioneer and Meritorious Service. *To nominate a breeder, send his or her name to Russ Giesy at russ47giesy@yahoo.com or call 352-669-0180 or Dr. Roger Neitzel at rogerrn@aol.com or call 608-365-4474.*

Terms and Conditions

TERMS: The terms are cash or check on sale day payable to Maryland Brown Swiss Association in U.S. funds unless other arrangements are made with the consignor prior to the sale. All payments must be made to the clerk of the sale and no release of animals will be given until satisfactory settlement has been made. The guarantees listed below shall be offered by the seller only after payment terms have been met by the purchaser.

BIDS: The highest bidder shall be the buyer. In case of dispute, the animals shall again be put up for advance bids and if there be no advance bid, the animal shall be sold to the person from whom the auctioneer accepted the last bid. Every animal is pledged to absolute sale and by-bidding is prohibited. Every animal must be transferred to the new owner and may not be transferred back to the seller, except at the discretion of the recording society concerned.

EXPORT TRANSACTIONS: Prospective buyers or agents must make satisfactory agreement regarding health tests and requirements with the consignor and/or sale's management prior to the sale. Failure to do so shall make the buyer responsible for all health tests. Any special terms of payment must be cleared with the sale's management prior to the sale.

RISK: All animals are at the purchaser's risk as soon as struck off, but will be cared for free of charge for a reasonable length of time. Purchasers must make arrangements for care of their purchase if not removed within 24 hours following the sale. Separate agreement must be approved on export cattle. All animals are at the consignor's risk prior to selling in the event of fire or other mishap. All semen and embryos sold shall immediately become the buyer's property and risk as soon as struck off. Shipping assistance will be given; however, no risk on loss is assumed by the sale's management.

CERTIFICATES OF REGISTRY AND TRANSFER: Each animal which is cataloged, offered, and sold as registered shall be recorded in the Herdbook of the Brown Swiss Cattle Breeders' Association of the U.S.A. The sale management shall be responsible that every animal be transferred within 30 days to the purchaser at the seller's expense, such transfer to be recorded on the Certificate of Registry by the Secretary of the Association. The following suffixes have been added to the names of animals designated by the Brown Swiss Cattle Breeders' Association of the U.S.A. as abnormality carriers or non-carriers as may apply. (W); (S); (M) - known Weaver, Spiderleg or SMA carrier determined by identification of affected offspring. (CW); (CS); (CM) - a confirmed Weaver, Spiderleg or SMA animal through diagnosis by an approved laboratory. (W*); (S*); (M*) - Weaver, Spiderleg or SMA carrier determined by DNA testing at a confidence level of 90% or above. *TW; *TS; *TM - Weaver, Spiderleg or SMA non-carrier determined by DNA testing at a confidence level of 90% or above.

SHIPPING: Assistance will be given in loading and shipping animals, but no risk is assumed by the sale's management or seller.

WARRANTIES:

- (1) The seller warrants clear title to the animal and right to sell the same.
- (2) Unless otherwise noted in the catalog or announced from the auction stand, each animal is sold as sound. All udder guarantees will cease when the cattle are loaded for removal from the barn.
- (3) **BULLS:** Are sold as being able to serve and settle after reaching 14 months of age. The buyer is expected to provide reasonable care and feeding. Should the bull prove to be a non-breeder, the buyer shall notify the seller within four months after the bull reaches 14 months of age. The seller shall then have six months to prove the bull to be a breeder. In no case shall the seller be responsible for more than the selling price.

FEMALES: Any female pregnant when sold or that has freshened with 90 days prior to the date of the sale is by that fact considered a breeder. Should any other female not pregnant when sold fail to become pregnant within six months of sale date, or if less than 15 months old when sold, by the time she reaches the age of 21 months, after having been bred to a bull known to be a breeder and after having been treated by a licensed veterinarian, the matter shall be reported in writing to the seller within two weeks of the aforementioned times. The seller will then have the privilege of six months time in which to prove the animal a breeder before refunding the purchase price. Females bred when sold are presumed to be pregnant, but pregnancy is not guaranteed. The seller makes no warranty that females announced safe in calf will deliver live calves, or that they will carry calves full term, nor does he guarantee that the calf carried will not be mummified. In no case shall the seller be responsible for more than the sale price of the animal.

- (4) Above warranties cease when the animal is disposed of by the original purchaser.
- (5) Transportation charges on all animals subject to adjustment shall be paid by shipper.
- (6) The Breeding Warranty is eliminated if a female is flushed or super-ovulated following the sale.

HEALTH CERTIFICATES: Official health certificates will be provided to the purchaser of each animal. Results of any future health tests are not guaranteed. The seller and sale management hereby notify buyers that, according to the State of Wisconsin ATCP Rule 10.21, all animals are sold as originating from a maximum risk paratuberculosis herd. The seller and sale management can not be held liable.

ERRORS: The material in this catalog has been carefully edited. If any errors or omissions are discovered, they will be announced, such announcements to take precedence over the matter of print in this catalog. Neither the editors of the catalog, the sale's management nor the consignors can assume any responsibility for any errors or omissions in the catalog.

ACCIDENTS: The Sale Manager, auctioneers and owners are not in any way responsible for the condition of the grounds nor the behavior of the animals and disclaim any liability in the event of personal accident or property loss.

RESPONSIBILITY: The consignor will represent and be responsible for his animals. In no case, however, will the consignor be responsible for any damages beyond the selling price of the animals. Maryland Brown Swiss Association, sale manager, assumes no responsibility, acting only as an agent, but will endeavor to protect the interests of both buyer and seller.
