

A photograph of a farm at sunset. Two large, cylindrical metal silos with domed roofs stand in the foreground. Behind them is a white barn with a dark roof. The sun is low on the horizon, creating a bright orange and yellow glow that silhouettes the buildings. The sky is a clear blue. The text "Golden Oaks Farm" is written in a large, elegant, black cursive font across the top of the image.

Online Embryo Sale

On Cowbuyer

Golden Oaks Farm

We're thrilled to welcome you to our first online embryo sale, featuring a select offering from the heart of our program at Golden Oaks Farm. For decades, Golden Oaks has been committed to building one of the most consistent and respected breeding establishments in the Holstein industry. Our focus on elite genetics, cow families with longevity and production, and a true passion for cattle has created a foundation that continues to move the breed forward.

The embryos featured in this sale represent the best of what our herd has to offer. Each lot was carefully selected from cows that combine deep maternal strength, proven pedigrees, and the kind of potential that can build show strings or elevate herd averages. Whether you're looking to add power to your donor pen, invest in the next generation of show calves, or simply bring in reliable cow families that deliver year after year, there's something here for you.

We're proud of the cattle we've built and even more excited to share this next generation with fellow breeders. Thank you for your interest, and don't hesitate to reach out with any questions ahead of the sale.

Let's build something great together.
