SOUTH POINT EQUESTRIAN CENTER

Welcome

Welcome to the eleventh annual ABBI World Premier Sale!! We are thrilled you've decided to join us as we continue to make history and create exciting new avenues of opportunities for our breeders and stock contractors.

Over \$6 million has traded hands over the last nine Premier Sales, which we truly believe to be the bucking bull industry's most influential yearly sale. From the most sought after genetics to one-of-a-kind lots, this is the Sale where you can find something truly special. In past years we've sold bulls who went on to be PBR Short Round standouts and World Champion Bull contenders including Pearl Harbor and Handsome Jeff. You will see phenomenal genetics in this sale once again and we are honored to have animals representing some of the best bloodlines in bucking bulls today.

We are excited by the animals we have assembled this year for the ABBI Premier Sale and are glad you decided to join us for this event. Whether you are just starting out in the industry, need to add new genetics to your herd, are looking for a bull to compete with in the ABBI or want a PBR buckner, we have something for everyone.

As you study this catalog and the videos online, you will see sons and grandsons from some of the greatest arena competitors, as well as offspring of industry's most prolific sires and dams. With over 350,000 bucking cattle in our DNA Registry, ABBI understands the importance of genetics and our committee has worked tirelessly to bring you this selection of bucking bulls that we hope will be significant importance to their new brands.

Phone bids can be taken live during the event, however we request that you touch base with us over the phone pre-event if you are planning on bidding and can't join us in person. This way we can ensure things run smoothly using your preferred bidding method. The call-in number for phone bidding is 719-229-5483. Thank you for your support of these ABBI Sales and we wish you the best.

Sincerely, ABBI SALE COMMITTEE

Born in 2021, Holy Shift has already proven himself as one of the most exciting young bulls in the game, banking \$183,638.68 LTE by showcasing crazy athleticism every time the gate cracks. He's big, strong, and powerful, yet incredibly quick-footed for his size—dropping out of the air with steep front-end moves, snapping his hips, and keeping riders guessing with his timing. That blend of size and agility makes him the kind of bull who draws attention every time he bucks.

Sired by 827F Domino, who carries an impressive 45.5 career average, and out of a proven Page cow, Prince Charming is built on foundation genetics and performance.
