Catalog made by Christy Achen | ChristyAchen.com

Terms

- Bid Online at www.cowbuyer.com.
- Bidders must be pre-registered and pre-approved.
- Contact Aaron Ray Tomkins 336-363-4639 - atompkin@vt.edu.
- Cash or good check day of auction. If purchasing through an agent or Cowbuyer, immediate payment is required.
- No cattle released until paid in full.

Trucking & Health Testing

- Trucking will be arranged anywhere Coast to Coast and Canada.
- Trucking to Wisconsin Spring Shows and Dairyland Sale can also be arranged.
- All cattle are Brucellosis vaccinated and BVD tested negative.
- Vet on hand to write health charts on the day of sale.
- If health testing is required, testing can start at completion of sale.
- The buyer is responsible for health paper, health testing, and trucking costs.
- Cattle can stay at farm for 30 days, after which buyer will be charged \$6/day/lot.
- Buyer is responsible to pay shipping costs for semen lots.

Welcome to Cherrywood Farm!

Home to the Achen Family and our registered Milking Shorthorn herd, Cherrywood Farm has called a few places home over the years and now proudly resides in Mondovi, Wisconsin.

The herd began in 1976 when Jeffry, Cindy, and Carolyn Clawson were searching for project animals for their 4-H and FFA programs. Their parents, Marvin and Roberta Clawson of Ackley, Iowa, encouraged their interest. Around that same time, a large cherry tree was harvested and milled into lumber used to decorate their home. From that moment forward, ***the prefix Cherrywood was born.*** This one is for you, Jeff - RIP.

Early additions to the herd came from renowned breeders across the Midwest including the Clampitt, Lyon, and El Ron Farms in Iowa, the Max Kimmerling family of Beatrice, Nebraska, and the Kindrick Brothers of Springfield, Missouri.

Through the years our family has remained actively involved in the American Milking Shorthorn Junior Society, as well as local 4-H and FFA programs. As opportunities in dairy production expanded and the family relocated, the Milking Shorthorns traveled with us, continually proving the breed's adaptability, productivity, and longevity.

Today we are proud to offer a select group of heifers and cows from these deeply rooted maternal lines. They represent years of careful breeding, blending proven cow families with modern sires. We are honored to offer them to you and hope you experience the same excitement working with their genetics as we have.

Cindy, and Carolyn would also like to thank Marcia of Mysha for her encouragement and mentorship, helping guide their involvement in state and national Milking Shorthorn activities. We are equally grateful to Curt and Louanne Krause for introducing Jessica and Jacob to countless Milking Shorthorn adventures.

During our time in Sauk Centre, Minnesota, Jessica and Jacob developed cow families of their own that they proudly exhibited over the years. Jessica's family traces back to the Judeas, while Jacob's foundation came from the Molly family.

Cherrywood Royalty Judea 2E-E92 launched the family's success when she was named Junior All-American Senior Two-Year-Old in 2005. Her daughter, Cherrywood KClay Judea V, continued the legacy by capturing multiple banners in 2009, including the Kingsmill Futurity and Grand Champion honors at the International Junior Show, before being crowned Supreme Cow at the Minnesota State Fair. Over the years, this family has proven its consistency, producing nine generations of VG or EX cows along with ten Junior and/or All-American nominations.

Cherrywood Royalty Molly VG88 91MS, has been equally rewarding to develop. Known for transmitting outstanding type and production, nearly every mating within the family has resulted in high-quality cattle. The Molly line has earned 20 Junior All-American nominations, highlighted by Cherrywood Mega Mitzy VG87, who became the high seller at the World Premier Sale in 2011 and built an impressive show career with four consecutive top-five finishes at World Dairy Expo.

We would like to recognize and sincerely thank the many individuals and breeders who have helped make this sale possible. In particular, gratitude goes out to all mentors who have had through the fifty years who have invested their time and guidance. Your guidance, wisdom, and steady support have had a lasting impact on both our family and our program.

We also extend our appreciation to our buyers, past and present. Your confidence in the Cherrywood program is greatly valued, and we wish you continued success with your cattle.

Please join us during our open house hours to view the cattle, or contact us to arrange another time. We look forward to visiting with fellow Milking Shorthorn enthusiasts and welcoming new youth and families interested in these red, white, and roan beauties.
