GRANT COUNTY FAIRGROUNDS | LANCASTER, WI

43rd Pioneer Dairy Classic

On behalf of the Pioneer Dairy Club and the Sale Committee, we invite you to look through our catalog and find the perfect addition to your herd. We are thrilled to offer you cattle from all seven breeds that are elite in type and production. The Pioneer Dairy Classic truly has something for everyone!

This sale marks the 43rd Annual Pioneer Dairy Classic. We are proud to share that all preplanning and coordination of our sale is led by students, with experienced industry professionals on hand at the sale to provide guidance and support. In addition to our selection of high-quality cattle, we will also be featuring a variety of embryo lots, silent auction items, and a food stand.

During the cattle viewing join us for youth clinics and an alumni showmanship contest. New this year, Pioneer Dairy Club members will be recognized during a meal, followed by the presentation of awards and scholarships. A variety of raffle baskets will also be available.

The funds raised at this year's sale will help the Pioneer Dairy Club Members attend conferences and competitions across the country and provide scholarships and fund philanthropic opportunities!

We would like to thank all our consignors, sponsors, and potential buyers for making this event possible every year! Our Pioneer Dairy Club Members put in a lot of hard work and time towards the sale; we cannot thank them enough for their contributions to making the sale run smoothly. Lastly, a very special thank you to our advisor Dr. Tera Montgomery and her family for their dedication and guidance that helps make our sale successful year after year.

We invite you to our Open House on Friday, April 10th at 5:00pm in Lancaster, WI. We look forward to seeing you on Saturday, April 11th at 11:00 am for the 43rd Annual Pioneer Dairy Classic!

Sincerely,
2026 Pioneer Dairy Classic Sale Committee:
Tyler Bohnert, Ashley Brandel, Mia Dauphin,
Brynn Emery, Lauren Kishman

The background features a dark, textured surface with a repeating pattern of playing cards. The cards are rendered in a dark, almost black color, with their suits (hearts, diamonds, clubs, spades) and numbers (2, 3, 4, 5, 6, 7, 8, 9, 10, A, K) visible. Overlaid on this pattern are several glowing, ethereal light streaks. Orange and red streaks are concentrated in the upper portion of the image, while blue and cyan streaks are concentrated in the lower portion. The overall effect is one of mystery and complexity.

The background is a dark, textured surface with a repeating pattern of playing cards. The cards are slightly faded and scattered across the frame. Overlaid on this are several glowing, ethereal light streaks. Orange and red streaks are concentrated in the upper half, while blue and cyan streaks are in the lower half. The overall effect is one of mystery and elegance.

Pioneer Dairy Classic

2025 Pioneer Dairy Classic Highlights

The Pioneer Dairy Classic is more than just an event—it's a chance for the entire Dairy Club to come together, work as a team, and have fun along the way. From planning and setting everything up to making sure the event runs smoothly, every member plays a part in making it successful. Working side by side helps members bond, build friendships, and create a strong sense of community within the club. Even while working hard, there's always plenty of laughter and good memories being made. The Pioneer Dairy Classic brings everyone together, strengthens teamwork, and reminds us why being part of the Dairy Club is so rewarding.

The background is a dark, textured surface with a repeating pattern of playing cards. The cards are in various orientations and colors, including red, black, and blue. Overlaid on this pattern are several glowing, ethereal light streaks. Orange and red streaks are concentrated in the upper half, while blue and cyan streaks are in the lower half. The overall effect is a dynamic, high-contrast visual.

The background features a dark, textured surface with a repeating pattern of playing cards. The cards are rendered in a dark, almost black color, showing various suits (hearts, clubs, diamonds, spades) and numbers. Overlaid on this pattern are several bright, glowing light streaks. Orange and red streaks are concentrated in the upper portion of the image, while blue and cyan streaks are concentrated in the lower portion. The overall effect is a dynamic, high-contrast visual.

The background is a dark, textured surface featuring a repeating pattern of playing cards. The cards are slightly faded and scattered across the frame. Overlaid on this are numerous thin, glowing lines of light. Orange and red streaks are concentrated in the upper half, while blue and cyan streaks are in the lower half, creating a sense of dynamic energy and movement.

Pioneer Dairy Club

Midwest ADSA

The Pioneer Dairy Club hosted the Midwest Regional ADSA Conference in 2026! The event brought together over 100 students from across the Midwest.

Dairy Challenge

Pioneer Dairy Club members get the opportunity to attend both the Midwest and National Dairy Challenge Contests annually. This allows them to network, strengthen their knowledge, and gain dairy insight.

California Trip

This year the Juniors and Seniors in Pioneer Dairy Club took a trip to California. They attended the World Ag Expo, went on farm tours, and visited National parks!

PDP

The PDP Mentor Program allows club members to get involved and network within the dairy industry! They match with a farm to learn more about their operation and attend the PDP Business Conference.

Pioneer Sweets

Pioneer Sweets is a student-run ice cream business where the ice cream is made right on the University of Wisconsin-Platteville campus.

The background features a dark, textured surface with a pattern of playing cards. The cards are scattered and slightly faded, showing various suits and numbers. Overlaid on this are dynamic, glowing light streaks in shades of red and blue, creating a sense of motion and energy. The word "Jerseys" is centered in a white, elegant script font.

HOLSTEIN ASSOCIATION TERMS AND CONDITIONS FOR PUBLIC SALES

EFFECTIVE MARCH 2, 1996 - Amended October 1, 1997, June 28, 2000, June 23, 2002, and March 26, 2010

TERMS: The terms of the sale are cash unless arrangements are made prior to the sale or are printed in the sale catalog. Only when the above conditions are met will the buyer be entitled to the warranties listed below. In no case will animals be released unless settlement is made with the clerk of the sale.

RESPONSIBILITY: The seller, buyer, and manager of this sale are obligated to comply with the provisions of these terms and conditions.

EXPORT SALES: Buyer assumes all responsibility for health tests required by the importing country.

BIDS: The highest bidder is the buyer. Bidding parties or their agents are responsible for all bids placed. Every animal or lot presented for bidding is pledged to absolute sale. In case of dispute, the animal or lot will again be put up for advance bids, and if there is no advance bid, the animal or lot will be sold to the person the auctioneer accepted the last bid from. In case two or more claim the bid, the auctioneer will indicate the party whose bid he recognized. Other claimants will be given an opportunity to increase the bid and bidding will be restricted to the two or more claimants.

BY-BIDDING: Bidding directly or indirectly by the sole owner of any animal or lot is prohibited unless the intention to bid is disclosed specific to each animal in the catalog and announced when the animal enters the ring. Bidding by any member of a partnership, syndicate, or other entity having an ownership interest in an animal or lot is permitted.

TRANSFER OF OWNERSHIP: For all Registered HolsteinsSM, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA and a certificate of registration showing that transfer of ownership will be provided to the buyer free of charge. For embryos, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA free of charge to the buyer.

RISK: All animals located at sale site are at the purchaser's risk as soon as struck off, but will be cared for free of charge for a maximum of 24 hours following the end of the sale.

WARRANTIES:

- 1) Each consignor warrants clear title to the animal or lot, and the right to sell same.
- 2) To the best of the seller's knowledge, each animal is sound and healthy in every respect and embryos have been recovered, processed, frozen, transferred and graded in keeping with IETS recommendations unless otherwise noted in the catalog or announced from the auction stand. Every precaution will be taken to represent the physical condition of each lot exactly as is known. Examination of all purchases should be made immediately after the purchase and before the close of the sale, and if found not to be as represented, complaint must be reported to the sale management before the close of the sale. In the event no complaint is filed, it is understood that the buyer assumes full ownership in the case of animals at sale site together with all risks, after which no representations of the seller can be challenged through the sale management. Heifers that never calved are in no way guaranteed as to the condition of their udders following calving.

3) Breeding Warranty

The seller guarantees all animals to be breeders, but not beyond the purchase price, with the following understanding:

- a. Males - Should any bull after reaching the age of fourteen months fail to prove a breeder after being used for two months on cows or heifers known to be breeders, the matter shall be reported in writing to the seller within three months of the sale date. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed,

by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller. The seller makes no guarantees with respect to the ability to freeze semen.

- b. Females - All females are guaranteed to be breeders with the exception of:
 1. Cows over 7 years of age when sold;
 2. Cows and/or heifers carrying a pregnancy that is the result of an embryo transfer.

Report of a non-breeder must occur in writing within 3 months of the date of sale or before the animal reaches 21 months of age and must be submitted to the seller. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed, by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller.

Females bred when sold and pronounced in calf are presumed to be pregnant but pregnancy is not guaranteed unless so announced. The seller makes no warranty that pregnant cows will deliver calves or that they will carry calves full term.

- c. If, after the sale, embryos or oocytes are recovered from a female or an attempt is made to superovulate her, this negates the breeding warranty unless there is a separate written agreement between buyer and seller.

SHIPPING: Assistance will be given in arranging shipping of the animals after the sale. All costs, risks and responsibility will be borne by the purchaser.

PEDIGREE INFORMATION: All production, classification, type and production summaries are current. Only information recorded on Holstein Association USA pedigrees is used. Any production or classification records supplied by the seller or consignor will be properly identified as provided by owner. Records in progress are identified as such.

GENOMIC INFORMATION: If genomic information on the animal or embryo is available, it must be dated and disclosed at or before the time of sale.

EMBRYO TRANSFER: All registered animals that have resulted from embryo transfer are identified with one of the following suffixes in the name: ET, ETS (from split embryo), or ETN (from nuclear transfer). If unregistered, the appropriate technology will be identified. Donor dams are identified.

HEALTH WARRANTY: The seller will provide an official health certificate to the buyer for each animal showing the results of all health tests made in preparation for this sale as required by the state where the cattle reside. Other health tests completed for this sale will be disclosed.

ERRORS: The material in this catalog has been carefully edited. If any errors or omissions are discovered, they will be announced. Such announcements take precedence over that printed in this catalog.

ACCIDENT: The sale management, the consignors, and the owner of the grounds will not be responsible in any case for the condition of the grounds or the behavior of the animals and disclaim any liability in the event of personal accident or property loss.

LIMITATIONS OF WARRANTIES: Warranties contained herein, unless terminated earlier, will cease upon the resale of an animal.
