Golden Oaks Farm

We're excited to present our upcoming online sale, featuring a select group of calves, embryos, and an elite donor from the heart of Golden Oaks Farm. This offering is built on years of focused breeding, with an emphasis on proven cow families, elite genetics, and cattle that perform where it counts.

Each lot has been carefully selected to represent the strength and direction of our program today. From high-end show prospects to deep maternal lines, this group offers real opportunity. Whether you're investing in your next donor, adding young calves, or securing embryos backed by consistency, there's something here to move your program forward.

We're proud of the cattle behind this sale and appreciate the chance to share them with fellow breeders. Please reach out with any questions.

Let's keep building forward.
