Terms and Conditions of Sale

TERMS: The terms of sale are cash, check, or wire transfer for the full purchase price in U.S. funds on the day of the sale. Parties unknown to the seller or sale management must furnish a statement or letter from his/her bank or a certified check. The seller, sponsor, or sale manager reserves the right to require payment by wire transfer, certified check, or in cash. If other arrangements for payment are made with the seller, a written agreement acknowledging such terms and signed by both parties must be filed with the sale clerk prior to release. All payments must be made to the sale clerk. No release will be given prior to the satisfactory settlement, whereupon a signed order from the clerk must be presented to the loading supervisor. Seller retains title rights until payment has been honored unless other arrangements are made. Buyers are entitled to warranties as listed below only after full compliance with these terms.

CERTIFICATES OF REGISTRATION: Certificates of registration or identification (whichever applies) showing transfer to the buyer on the records of said breed association will be furnished by the seller for each animal at no cost within a reasonable period of time. An animal may not be transferred back to the seller for a period of one year except at the discretion of the breed association. Registration certificates show registrations on the records of said association but are not documents of title.

SALE POSITIVE: The highest bidder shall be the buyer. Every animal is pledged to absolute sale unless withdrawn for cause as determined by the sale manager. In case of dispute the animal shall again be put up for advanced bids, and if there be no advanced bid, the animal shall be sold to the person from whom the auctioneer accepted the last bid. If two or more claim the bid, the auctioneer shall indicate the party whose bid was recognized. Other claimants will be given the opportunity to increase the bid. Bidding directly or indirectly on an animal in which the bidder or any person for whom the bid was made has an ownership interest is prohibited unless the intention to bid is disclosed specific to each animal in the catalog or announce from the auctioneer.

CATALOG INFORMATION: The material in the sale catalog has been carefully edited. Any errors, omissions or information noted after printing of the catalog will be announced from the auction stand. Such announcements will take precedence over printed matter in the catalog. In the event, neither the sponsor nor the sale manager shall be responsible for errors nor omissions.

RISK: All animals are at the buyer's risk as soon as struck off but will be cared for at no cost for 24 hours. Buyers must make arrangements for care of their purchases beyond the 24-hour period. Animals are solely at the seller's risk to be struck off including that time while under the care and supervision of the sale manager.

BREEDING WARRANTY: All animals are sold "as is" in regard to pregnancy or breeding status. No animals are guaranteed pregnant, to breed, to deliver normal calves, or to carry calves to term. However, all animals that have been bred for a reasonable period of time will be checked by a licensed veterinarian before the sale and his/her diagnosis will be announced, but not guaranteed.

WARRANTY: The seller warrants clear title to the animal and other items sold and the right to sell the same. The seller makes no other warranties, express or implied, including without limitation merchantability or fitness for a particular purpose. All warranties cease when the animal is resold or transferred by the original owner.

HEALTH CERTIFICATE: The seller will provide to the buyer an official health certificate for interstate shipment of each animal. No warranty is made as to the condition or health of the animal or the result of any future health test or as to the condition of an animal's udder following calving. Herd and/or area accreditation and certification status and calfhood vaccination status will be printed in the catalog or announce from the auction stand.

SHIPPING: Assistance will be given in loading and shipping animals after the sale, but no risk is assumed by anyone associated with the sale when such assistance is given. All cost, risk and responsibilities are borne by the buyer, and transportation charges on all animals subject to adjustment shall be paid by the buyer, unless other arrangements are made.

ABSENTEE BIDDERS: While it is preferable for prospective bidders to attend the sale in person, for the convenience of those not present, members of the sales force will represent you at the sale. Or you may bid through our online provider if available for that sale. Others handling bids for absentee buyers should identify themselves to the sponsor or sale manager before the sale to ensure that the terms of the sale are complied with. Any person handling a bid for an absentee buyer does so as agent and is not responsible for any animal he may purchase in that capacity.

RESPONSIBILITY: The seller is solely responsible for all warranties, as to animals or other property offered for sale. The sale manager, auctioneer and sponsor are acting as agents only and are not responsible for the title, condition, quality, fitness or productiveness of any animals or other items sold. Examination of all purchases should be made immediately after purchase, and any complaint must be reported to the sale manager before the close of the sale. Neither the sale manager, the sponsor, the seller, the auctioneer nor anyone associated with the sale shall be responsible for accident, injury or property loss to anyone attending the sale. The sale manager, sponsor and auctioneer shall not be liable for payment of the purchase price of any animal or other item sold. In submitting entries and/or selling animals or other items, the seller agrees to the terms and conditions set forth herein and assumes full responsibility for his or her animals.
