Dedication

Dr. Michael Van Amburgh

Our club is proud to recognize one of our advisors, Dr. Michael Van Amburgh, better known as “VA,” as he celebrates his 30th year advising The Cornell University Dairy Science Club. Over the past three decades, he has made a lasting impact on hundreds of students, shaping both their academic journeys and personal growth.

VA creates a sense of community that extends far beyond the classroom, a quality that reflects the same level of commitment he brings to guiding more than 50 college students across the country and abroad as they deepen their understanding of the industry. Back in Ithaca, VA continues to foster that same sense of connection, opening his home to students for shared dinners, pasta-making sessions, and, of course, his legendary wrestling matches, all while serving as a trusted mentor and source of wisdom.

His compassion, attentiveness, and unwavering commitment to his advisees, students, and the broader industry are evident in the time he invests in mentorship, the relationships he builds, and the continued support he offers long after formal programs end. VA’s influence reaches across generations and around the world, leaving a lasting impact on the academic, professional, and personal growth of those he mentors.

As a club, we are deeply grateful for all that he has done and continues to do for us. His impact on the CUDS community is truly immeasurable.

Thank you VA!

Cornell Spring Classic

Friday, April 24, 2026 - 3:00 PM EST

SCHEDULE

2:30 PM.....	Doors Open
3:00 PM.....	Sale Begins; Silent Auction Open
5:00 PM.....	Sale Ends; Cocktail hour Begins
6:00 PM.....	Opening Welcome & Recognition Ceremony
6:45 PM.....	Dinner
7:30 PM.....	Toast & Live Auction
8:00 PM.....	Dessert
8:15 PM.....	Silent Auction Closes, Auction Winners Announced
8:30 PM.....	Reception and Networking
10:00 PM.....	Adjourn

Evie Kersmanc, Fundraising (egk49@cornell.edu), **Charlie Feinman:** Activities & Inclusion (cmf276@cornell.edu)

Recognitions

Quinn Kolar

We would also like to recognize another pivotal advisor in our club, Dr. Quinn Kolar. Quinn joined us three years ago, and we are incredibly grateful for the insight, support, and knowledge she has brought to both our club and the dairy science program. Whether she is jamming to music in the van on the way to a farm, teaching, mentoring advisees, or supporting CUDS, she consistently brings great new ideas and is a constant source of positive energy. From leading upperclassman trips abroad to inspiring our members, she has made a lasting impact on our dairy community. As Quinn continues her journey at Cornell, we are excited to continue our work as a club with her by our side.

Alex Morgan

This year, our club gained an instrumental member we could not do it all without, Alex Morgan, our Administrative Assistant. From her very first day, Alex has been a constant source of support, always asking how she can help, handling countless behind-the-scenes tasks, and ensuring major events like our banquet and sale run smoothly. Her dedication brings everything together and keeps our club moving forward, and we truly appreciate all that she does.

Heather Darrow

Last, but certainly not least, we would like to recognize Heather Darrow for her expertise in event registration and logistics, a crucial aspect of our event that often goes unseen. Her attention to detail and dedication have made planning for our sale and banquet seamless. We are grateful for all of the work Heather puts in behind the scenes to ensure our events run smoothly and successfully.

2025 Cornell University Collegiate Dairy Cattle Judging Team

Members L-R: Madelynn Hoffman, Charlie Haynes, Amelia Brewer, Sophia Wilbur
Coach: Kevin Ziemba

We would like to recognize the 2025 Cornell Dairy Judging Team for competing at Harrisburg and the World Dairy Expo this past fall. Congratulations to Madelynn Hoffman on placing 17th at Harrisburg and 10th at World Dairy Expo, and to the entire team for their dedication and accomplishments. Historically, members of the judging team have played an active role in the sale by leading cattle through the ring. While the absence of the Livestock Pavilion prevents us from continuing that tradition, we still want to take the opportunity to recognize and celebrate their success and contributions to the Cornell University Dairy Science Program.
