Welcome!

Welcome to the second edition of The Nasholm Independence Online Sale. What started as an idea to showcase a small group of cattle and genetics we truly believed in has grown into something we are incredibly proud to host again. After the support, encouragement, and friendships built through last year's sale, we knew we wanted to continue the tradition.

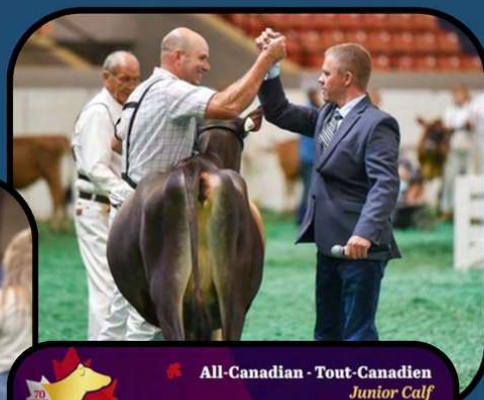

At Nasholm, we have always believed in the power of strong cow families, functional type, and cattle that can compete at the highest levels while continuing to build for the next generation. This offering represents genetics we are excited about – from proven All-American families to young cattle and matings we believe have tremendous potential.

The image featured in this year's sale logo captures what Nasholm is all about – family, Jerseys, and the next generation. The heifer led by Joe was named Reserve All-American Spring Yearling last year, while the young heifer being led by Bode will sell in this year's offering. Moments like these remind us why we love this breed and why we are proud to continue building the Nasholm program together.

The Jersey breed community continues to be one of the greatest parts of this journey. We are grateful for the breeders, buyers, and friends who support our program, share our passion for good cattle, and make events like this possible.

From our family to yours, thank you for supporting The Nasholm Independence Online Sale.
